In consideration for One Dollar (\$1.00), and other good and valuable considerations, the receipt of which is hereby acknowledged, we, the undersigned

Edward F. Ikeguchi, Glen M. deVries, and Tarek A. Sherif

Hereby sell, assign and transfer to **MediData Solutions, Inc.**, a corporation of the State of Delaware, having a place of business at 79 Fifth Avenue, New York, in the County of New York and State of New York 10003 (hereinafter "Assignee"), its successors, assigns and legal representatives, the entire right, title and interest for all countries, in and to our invention entitled

SYSTEM AND METHOD FOR CONTINUOUS ANALYSIS OF AN ONGOING CLINICAL TRIAL

and in and to any and all corresponding inventions which are disclosed and claimed, or disclosed but not claimed, in U.S. Patent Application Serial No. 10/667,848 filed September 22, 2003 any regular patent application or disclosed but not claimed, in any regular patent application claiming priority therefrom, and any patent to be granted thereon, and all divisional, continuing, substitute, renewal, reissue, reexamination, and all other applications for U.S. Letters Patent or other related property rights in any and all foreign countries which have been or shall be filed on any of said inventions disclosed in said application; and in and to all original and reissued patents or related foreign documents which have been or shall be issued on said inventions;

Authorize and request the Commissioner of Patents of the United States to issue to said Assignee, the corporation above named, its successors, assigns and legal representatives, in accordance with this assignment, any and all United States Letters Patent on said inventions or any of them disclosed in said application;

Agree that said Assignee may apply for and receive foreign letters Patent or rights of any other kind for said inventions, or any of them; and may claim, in applications for said foreign Letters Patent and other rights, the priority of the aforesaid United States patent application under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned or the undersigned's executors or administrators will, for the United States and all foreign countries, execute all divisional, continuing, substitute, renewal, reissue, reexamination, and all other patent applications or other documents on
